

TKO's all new Defiant modular Suspension and Storage bay system are a great addition to any training facility. Gives any environment the ability to store med balls, wall balls, stability balls, kettlebells, dumbbells, mats and more. With a full line of unique shelving, you have the freedom to choose based on your needs. The Suspension capability is perfect for functional training areas, with a unique 3-Way Swivel to hold a variety of suspension trainers or heavy bags.
